PARTICIPANTS:

OPC G/EE
sh OPC G/EE1

1. [] and the undersigned called on [] British service representative in Athens to discuss current operations into Albania. The talk was limited to an exchange of information on the progress of operations and a general discussion on the possible reorganization for the National Committee for Free Albania.

2. On 19 June 1951 [] invited [] and myself to lunch together with [] of his office. No business was discussed at all except that [] said that the British representative in Istanbul had tried frantically to reach us in Istanbul and had been disappointed because he was unable to make contact. (Because of CIA discussions being carried on in relation to the dissolution of the TMS and its replacement by new service, we had avoided any contact with the British service in Turkey.)
